## COLORS

# Lead with green. Cream holds the page.

Charcoal is the type. Rose is the only accent, once per composition. Brass is a hairline, never a fill.  
Gold is retired. Click a hex to copy from the tokens file if you are building.

|                                                                                                                 |                                                                                                                   |                                                                                                                    |                                                                                                               |                                                                                                                |

## A trusted friend who has actually done this.

Warm, expert, calm. Write like Yasmeen or Laurence. Not like a corporation. Not like a fairytale.

### SAY THIS

We handle the stress. You get the joy. One USD contract. You never send money to Ireland.

### NOT THIS

Curate your perfect enchanted Emerald Isle wedding experience.

We handle the stress. You get the joy.

One USD contract.

You never send money to Ireland.
